## **Culture Awards Winners Commission £1,500**

### **Background:**

Bursting with talent, creativity and passion people flocked to Canterbury Christ Church's Augustine House on June 15 2011 to celebrate the wealth of cultural activity taking place across the Canterbury District at the inaugural Culture Awards ceremony.

From Chief Executives to fledgling artists, local philanthropists and commercial businesses to community groups everybody was there to celebrate the inspirational work that is at the heart of the Canterbury District, making it a great place to live, work and visit.

Every aspect of the event was designed to highlight local talent and creativity including delicately hand crafted kiln fused glass awards by Whitstable based artist Stephen Hall and beautiful sculptures dressing the venue by Canterbury based Andrew Warner.
